

Privacy Policy for Teetering Maze

We not collect or store your personal information.

When you buy this game, Apple may collect personal information to make the purchase possible.

If you leave a review on the Apple App Store, Apple may collect personal information to connect the review to the reviewer's account. We're able to read the reviews you leave and your user name.

Apple may collect user or device related data when you buy this game and we can see some of this information.

This Privacy Policy can be updated in any moment.
